

Availity’s Professional Claim submission feature offers providers a no-cost solution to quickly submit an electronic claim or encounter to Blue Cross and Blue Shield of Texas (BCBSTX). Electronic claim submission can accelerate the claim and reimbursement process. This Availity option does not require the use of a separate clearinghouse or practice management system.

Note: This user guide provides instructions on completing and submitting the Professional Claim Submission form via the Availity portal. The guide is for educational purposes and should not be interpreted as advice on how to bill a claim.
